About Us

Aurum Medicare, a division of **Lxir Medilabs**, a prominent pharmaceutical company founded in 2011, specializes in manufacturing and marketing a wide range of paper hygiene and healthcare products under the **Dreamease** brand and surgical products under the **Aurum Care** brand.

Dreamease focuses on addressing the hygiene and health needs of women, babies, and adults. Its current product portfolio includes period panties, sanitary pads, intimate wipes, and pregnancy test kits for women; baby diapers, wet wipes, and underpad sheets for babies; and adult pull-up diapers, tape diapers, and underpad sheets for adults.

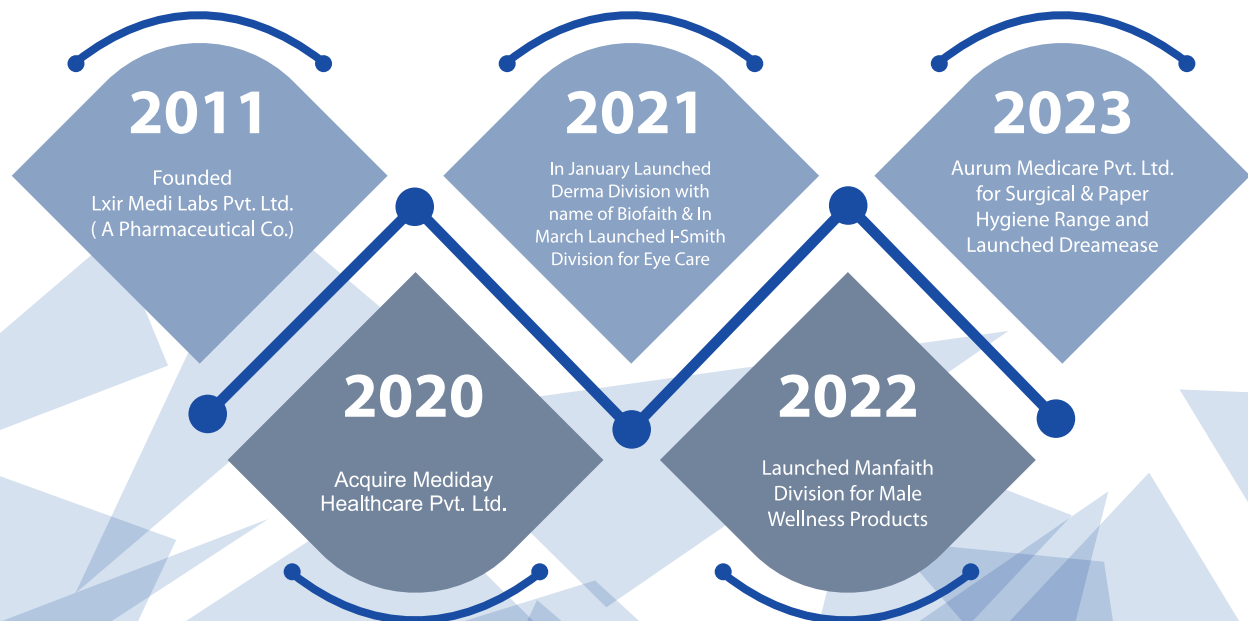

Aurum Care offers high-quality medical and surgical disposable products to ensure safety healthcare settings. Its product range includes syringes, IV sets, IV cannulas, Foley catheters, urine bags, and other essential items. Aurum Care prioritizes reliability, innovation, and adherence to global health standards.

The brand has built a strong presence across India with offices and marketing representatives in major cities. We believe that health and hygiene are fundamental to daily living, not a luxury.

This ongoing commitment has positioned us as a leading one-stop solution for personal hygiene and health needs in the Indian subcontinent. Our dedication to quality is reflected in every stage of production, ensuring that every product meets the highest standards using premium materials and rigorous quality control measures.

Our Vision

To promote the health, safety, and well-being of children, women, and the elderly by innovating health and hygiene solutions that enhance everyday life.
